SECTION D

Claim Notification Procedures and Rights of the Insurer and Insured in relation to handling of Claims

- I. In the event of any occurrence which may result in loss, damage and/or expense for which the Insurer is or may become liable, the Insured will give prompt notice thereof and forward to the Insurer as soon as practicable after receipt thereof, all communications, processes, pleadings and other legal papers or documents relating to such occurrence.
- II. The Insured shall not make any admission of liability, either before or after any occurrence which may result in a claim for which the Insurer may be liable. The Insured shall not interfere in any negotiations of the Insurer, for settlement of any legal proceedings in respect of any occurrences for which the Insurer may be liable under this Policy, provided, however, that in respect of any occurrences likely to give rise to a claim under this Policy, the Insured is obligated to and shall take such steps to protect his (and/or the Insurer's) interests as would reasonably be taken in the absence of this or similar insurance. If the Insured shall fail or refuse to settle any claim as authorised by the Insurer, the liability of the Insurer to the Insured shall be limited to the amount for which settlement could have been made.
- III. Whenever required by the Insurer, the Insured shall assist in the securing of information and evidence and in obtaining witnesses and shall co-operate with the Insurer in the defence of any claim or suit or procedure or in the appeal from any judgement in respect of any occurrence as hereinbefore provided.
- IV. The Insurer shall have the right at its sole discretion to control or direct the conduct of any claim or legal or other proceedings relating to any liability, loss, damage, costs or expenses which might fall within the scope of this Policy.
- V. The Insurer shall not be liable for the cost or expense of prosecuting or defending any claim or suit unless the same shall have been incurred with its written consent or where the Insurer shall be satisfied that such approval could not have been obtained under all the circumstances without unreasonable delay, or that such costs and charges were reasonably and properly incurred, such costs or expenses being subject to the applicable deductible. The cost and expense of prosecuting any claim in which the Insurer shall have an interest by subrogation or otherwise, shall be divided between the Insured and the Insurer, proportionately to the amounts which they would be entitled to receive respectively, if the suit should have been successful.
- VI. The Insurer shall be liable for the excess where the amount of any deductible under this Policy is exceeded by
 - a. the cost of investigating and/or successfully defending any claim or suit against the Insured based on a liability or an alleged liability of the Insured covered by this Insurance, or
 - b. the amount paid by the Insured either under a judgement or an agreed settlement based on the liability covered herein including all costs, expenses of defence and taxable disbursements.
- VII. The Insurer shall be subrogated to all rights which the Insured may have against any other person or entity, in respect of any payment made under this Policy, to the extent of such payment. The Insured shall, upon the request of the Insurer, execute all documents necessary to secure to the Insurer such rights.

- VIII. The Insurer shall be entitled to take credit for any profit accruing to the Insured by reason of any negligence or wrongful act of the Insured's servants or agents up to the measure of their loss, or to recover for its own account from third parties any damage that may be provable by reason of such negligence or wrongful act.
- IX. Where the Insured is, irrespective of this insurance, covered or protected by another insurer against any loss or claim which would otherwise have been paid under this Policy, there shall be no contribution by the Insurer on the basis of double insurance or otherwise.
- X. No claim or demand against the Insurer under this Policy shall be assigned or transferred, and no person, excepting a legally appointed Receiver of the property of the Insured, shall acquire any rights hereunder nor shall an Insured cause there to be any other assignment or transfer of cover or liability to any other party whatsoever.
- XI. No claim for recovery or indemnity may be made against the Insurer by the Insured
- a. unless such claim is made against the Insurer within one year after the final judgement or decree is entered in any litigation against the Insured or
 - b. in case the claim against the Insured arises without the entry of a final judgement or decree, such claim is brought within one year from the date of payment.
- XII. The Insurer shall not be liable for any claim not presented with proper proof of loss after the expiration six (6) months from the date of payment thereof.

NOTWITHSTANDING anything else to the contrary contained in this Policy, it is hereby agreed that the Insurer hereunder is not liable for any loss, damage, injury, expense, cost or claim whatsoever which otherwise would be recoverable under this Policy, unless notice of such loss, damage, injury, expense, cost or claim or circumstances which have not but may give rise to a claim against the Insured is given in writing within 36 months from the expiry date of this Policy.

If the aforesaid 36 month period relating to written notification to the Insurer is invalidated during the period of this Policy by any law to which the Insured is subject, then such period shall be deemed to be amended to the minimum period permitted by such law.

This Policy is one of indemnity and this principle may only be varied at the sole discretion of and on terms to be decided by the Insurer.
